CÈLESTE COFFEE

Taste the Celestial Brew

About business

Céleste Coffee is a premium Ugandan coffee brand dedicated to delivering exceptional highland Arabica coffee to the world.

Our beans are sourced from the fertile highlands of Uganda, where rich volcanic soils, ideal climate, and high altitudes produce coffee with remarkable flavor and quality.

Working closely with local farmers and producers, Céleste Coffee focuses on careful harvesting, processing, and selection of specialty-grade beans.

Each batch reflects our commitment to quality, sustainability, and the authentic taste of Uganda's coffee heritage.
Through our passion for excellence, we aim to connect global coffee lovers with the unique character of Uganda's finest coffee.

Our Mission

To deliver exceptional Ugandan highland Arabica coffee
to the world by sourcing the finest beans,
working closely with local farmers, and maintaining the highest standards
of quality from farm to cup.
We aim to showcase the rich heritage and unique flavor
of Uganda's coffee while building sustainable relationships with farmers,
partners, and global coffee lovers

Our Vision

To become a globally recognized coffee brand known for premium Ugandan coffee, suistainable sourcing, and unforgettable coffee experience

Our History

Céleste Coffee was founded in 2023 to bring the rich flavor and quality of Ugandan highland Arabica coffee to global markets.

Working closely with UCDA & local farmers, the company focuses on sourcing and supplying specialty-grade coffee that reflects the unique character of Uganda's coffee-growing regions.
